Dear Applicants, dear Customers,

Publication of Pre-arranged Paths (PaPs) for Timetable 2020

Dear Madam, dear Sir, dear Customer,

With this letter I would like to inform you about the publication of the **Pre-arranged Paths (PaPs) on Amber RFC for Timetable 2020**.

From January 14th 2019, you can find the PaP catalogue for TT 2020 published in PCS via the following link:
<http://pcs.rne.eu/>

To show you an overview of all published PaPs on Amber the PaP catalogue is attached as a Excel document. The Excel document as well as all relevant information about booking and allocation conditions via the Corridor One-Stop-Shop are also available at our homepage:

<https://rfc-amber.eu/downloads>

Further information and explanations can be found in our Corridor Information Document "CID Book IV".

Please submit your path requests for the Timetable 2020 until 8th April 2019 by using PCS as the unique booking tool for PaPs. As the C-OSS I will then decide on the pre-booking of the whole international request in one operation based on the priority rule, which has been adopted by the Ministries of Transport along the Rail Freight Corridor.

To support your traffic planning you will receive preliminary information on the result of the pre-booking decision at the latest on 22nd of April. The draft / final timetable offer (incl. feeder/outflow paths) will then be communicated on 1st of July respectively on 19th of August via PCS. The deadlines for the procedure are also described in the process calendar attached.

Please do not hesitate to contact me for any questions you might have or support you need for requesting the path(s).

Yours sincerely

Roman Stańczak
Your C-OSS Manager
